Boys Orphanage—BART

First and foremost, we thank God for the gift of life, for his peace and joy that he has been giving to us.

We are thrilled to announce that Willy Kabeya Katembo has successfully passed his State Exam (Examen d'état) with 60%. We give all the glory to our God for this great achievement as we continue to look up to him for the rest of Willy's future endeavors.

EDUCATION

We give all the glory to our God that the boys are doing well in school, although some better than others and we also remain hopeful for even better results this coming school year. So far, we have only received results for 6 children for the school year 2023-2024 which closed on the 2nd of July. Once we get the rest of their results, we will make sure we get them to you.

MEDICAL CARE

We are grateful to God that so far, we haven't had any case of illness neither among our staff nor the children. We give God the glory for the good health he has given us.

CHALLENGES

We have been facing a lot of challenges with electricity; the area in which we stay does not provide us enough nor stable power to keep our food in the fridge or charge our gadgets. The boys are not able to watch TV for entertainment when they are not in school.

NEEDS

- We are in need of solar panels or a generator so we can have good electricity that will help us conserve food, watch TV and use other gadgets.
- We are in need of basic first aid kit essentials. We have no means of transport to take the boys to the hospital in case of emergencies or when they get sick in the middle of the night, therefore, having these items will help us to respond and provide immediate care within the time frame of us waiting for the sun to rise to take them for professional help.

THANKS

Thank you for everything that you are doing on taking care of our kids. May our Lord bless you all.

A BIRTHDAY CELEBRATION

We were blessed and honored to celebrate Mom Diane's birthday at our home. She brought food and came along with her family for this beautiful celebration.
