

Blessed and Broken

*Tune: "Blessed Assurance" by Fanny J. Crosby and Phoebe P. Knapp
Lyrics: Rev. Justin White, based on the Gospel text in Luke 9:12-17*

Verse 1

Blessed and broken, the bread of new life,
Jesus our Savior, calls us from strife.
Feeding the hungry with loaves multiplied,
Grace overflowing, God's love will abide.

Chorus

This is our story, this is our song,
Blessed and broken, sent to belong.
This is our calling, justice proclaimed,
Blessed and broken, we go in Christ's name.

Verse 2

Abundance abounds where we trust in God's care,
Sharing the table, all gifts freely share.
No need is too great, no burden too small,
Jesus, our wholeness, redeems and feeds all.

Verse 3

Blessed in communion, we rise to be free,
Bearing God's mercy for all we can see.
Out in the world where injustice remains,
We bring the feast that restores and sustains.

Verse 4

Bread for the journey, the cup that unites,
Fills us with courage to shine God's true light.
Gathered, then scattered, God's work we fulfill,
Creating God's Kin-dom with love and goodwill.
