

United Methodist Women Information Table

Pacific Northwest Conference Annual Meeting

Thursday, June 9 through – Sunday, 12, 2022 at the Puyallup Fair Grounds

Contact Ann Conklin aconklin@pnwumc.org, who oversees the Mission Ministries area to reserve tables. This is an on-line reservation system, usually available several months ahead. Request tables for both displaying and collecting the quilts (4 tables or more, if allowed) and promoting United Methodist Women (at least 2 tables).

www.pnwumc.org

Suggests on what to bring:

1. Tablecloths for two tables (there is a Legacy tablecloth that would work for one).
2. Resources from unitedmethodistwomen.org or from umwmissionresources.org.
3. A bowl of candy, lifesavers, whatever you feel like offering those visiting or passersby. It will probably need refilling.
4. Tri-folds information about United Methodist Women
5. Response magazines
6. Information about Assembly, and Jurisdiction, pictures of activities, or the conference team; whatever else might grab attention, and get people interested.
7. Love Ribbon Cards, & Gift to Mission Cards offered for sale.
8. Legacy is still important, and we have pictures of 60 units on a flash drive (ask me), also, there are lots of stories to share on that trifold.
9. The Reading Program trifold with handouts available (approximately 25 or more). Some information about our reading club or suggestions about books and how to get them (including Mission u books 😊).
10. Education for Mission trifold with what we do internationally, nationally, at the state level, and locally.
11. Handouts of the four priorities, which can be downloaded from the [National website](#) and copies made.
12. Copies of the Mission Today brochure.

This information is “also” for Mission u. People like to browse in the Resource Room.
